of consumers say hygiene is the most important consideration when eating out.

A simple swap from using cutter boxes and loose rolls to Wrapmaster® will have a direct impact not only on kitchen hygiene, but also consumer perception moving forward.

93% of diners would feel reassured if restaurants took steps to update their equipment so that it can be cleaned and sanitized regularly.

Why Wrapmaster®?

The award-winning Wrapmaster® range, endorsed by the Craft Guild of Chefs, is the simple solution to keeping kitchens and teams safe. The original and best dispensing system for film, foil and baking parchment, Wrapmaster® is easy to sanitize and can be 100% disinfected in a commercial dishwasher – unlike cardboard cutter boxes and loose rolls which can absorb and harbor germs. Easy to use, Wrapmaster's® concealed blade means hands are always safe and there is no risk of injury or cuts during service.
